

Town of Tonawanda

The Town of Tonawanda joined the Labor-Management Healthcare Coalition on July 1, 2011.

The Town of Tonawanda moved their current products under the Coalition's umbrella as a cost-saving initiative. Their membership also offers many benefits to the Town, such as open enrollment assistance, Option 90 pharmacy benefit, local & immediate customer service, an incentivized wellness program which includes seminars for active employees and Group Administrators, health fairs and monthly retiree seminars.

Eileen Fleming serves as the management representative; and Todd Ciehowski represents labor on the LMHF Board of Directors.
